

## MoU signed with China Association for the Promotion of Investment

HKQAA signed a Memorandum of Understanding (MoU) with China Association for the Promotion of Investment on 8 December 2023. The MoU aims to promote the development of the environmental, social, and governance (ESG) fields, enhancing practices in green finance and sustainable development.

The MoU was signed by Dr. Michael Lam, Chief Executive Officer of HKQAA (middle, left photo), and Mr Wang Wei, Secretary General of China Association for the Promotion of Investment, (middle, right photo). Both parties will collaborate to promote the specialisation and standardisation of ESG-related work, making a greater contribution to society and the environment.

The partnership will combine the strengths of both parties to facilitate green and sustainable economic development in the Mainland China and Hong Kong SAR.
